ALTERATIONS IN CONTRACT W912DW-05-D-1003 (FAR 52.252-4) (APR 1984)

Portions of this contract are altered as follows:

- 1. Section C Description/Specifications/Work Statement. Item 3 Government Furnished Data, paragraph C is changed to read: Em385-1-1, US Army Corps of Engineers, Safety and Health Requirements Manual, 3 November 2003.
- 2. Section G Contract Administration Data:

The Government is not obligated to fund the maximum ordering dollar amount awarded from this contract. Each Task Order will have funds obligated on an individual basis. The Government intends to order a minimum of 2% of the maximum ordering dollar amount of \$350,000.00 for the Base Year; and for subsequent options awarded, 1% of the maximum ordering dollar amount of \$350,000.00 for each option awarded. Should the Government fail to order the minimum amount of services during the contract period, the contractor may submit a claim as provided in the contract clause entitled "Disputes". In no event will the Government's liability under this circumstance exceed the stated amount for any delivery order awarded from this contract. Additionally, the Government reserves the right to obtain similar services from other sources.

- 3. The guaranteed minimum will be satisfied with the issuance of Task Order 0001.
- 4. The Contracting Officer's Representative (COR) assigned to this contract is Stephen Martin.
